Dear Sir,

We are, herewith, pleased to introduce us as one stop solutions for “**Fire Fighting System**” for all kinds of customers.

We are professionally managed engineering organization, specialized in implementing fire projects on turnkey basis. We procured all types of products from leading manufacturers with all necessary standards.

Ultra Firetech Systems Pvt. Ltd. is one of the leading Fire Fighting (Protection) Company, deals with Design, Supply, Erection, Testing and Commissioning of all kinds of Fire Fighting Systems. Through our commitment to customer service & quality, Ultra Firetech Systems has earned a good reputation as the leader in the market.

From initial consultation and system design to the installation, testing and commissioning and service, we ensure that each supply and installation meets our customer’s requirements and executions with quality and cost effectiveness.

We provide Fire Sprinkler Protection System as per the NFPA standards complying with the fire norms.

Our scope of area includes Supply and Installation of,

- **Fire Hydrant System.**
- **Fire Sprinkler System.**
- **Smoke Detection & Alarm System.**

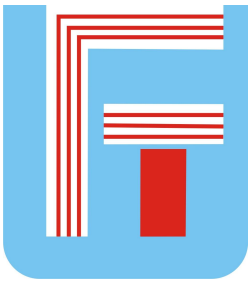

We are having the team of qualified and experienced technical as well as commercial staff as a pillar of our organization who leads our all activities in a smooth way. Even we are having the skilled manpower to perform the contracting job.

We are having well equipped office infrastructure set up at Sadashiv Peth, Pune.

Thanking you,

Yours faithfully,

For **Ultra Firetech Systems Pvt. Ltd.**
